Background/Supporting Information

The Minnesota Department of Public Safety is providing federal grant funds to the Minnesota Financial Crimes Task Force. The finalized organizational structure of the Minnesota Financial Crimes Task Force makes them the contracting agency and does not separately identify the Anoka County Attorney's Office as a fiscal agent. This contract agreement between the Minnesota Financial Crimes Task Force and Minneapolis is necessary to support the participation of the Minneapolis Police Department on the task force for two years. The agreement has been revised to include the participation of two officers, instead of one officer, increasing the contract amount from \$205,000 to \$408,000.
